CONCRETE ABUTMENT REPAIRS AT HOOKSETT TOLL PLAZA
WORK IN TWO LANES SHOULD NOT IMPACT PEAK TRAFFIC

The New Hampshire Department of Transportation announces repairs to concrete abutments in two lanes at the Hooksett Toll Plaza on Interstate 93 will take place on Tuesday, April 26 and Wednesday, April 27, 2005.

This work by NHDOT maintenance crews will begin at 9:30 am each day at southbound lanes 5 and 6 and should not result in additional traffic delays.
